

WHO

domuso

WHY

Why switch payment providers?

WHEN

Top 5 reasons to switch to Domuso

Centralized reporting

View reports across properties detailing online payment performance each month, and work with our dedicated account management team to improve your return month over month.

Seamless integrations

Seamlessly integrates with major property management systems, allowing financial reports to automatically sync daily and post to your ledger.

Reduced financial risk

Steer clear of financial losses with Domuso's digitally certified payment options and 100% chargeback protection.

Resident-centric payment options

Residents have the flexibility to pay with any traditional payment method through any mobile device with our "Pay Your Way" functionality.

24/7 customer support

Domuso offers live training and Q & A sessions for onsite staff, as well as 24/7 bilingual customer support for residents.

Domuso optimizes properties' financial performance, reduces business risk, and eliminates manual and frustrating tasks for your team.

Gain a true partnership with your supplier.
