

Why switch payment providers?

Top 5 reasons to switch to Domuso

1 Centralized reporting

View reports across properties detailing online payment performance each month, and work with our dedicated account management team to improve your return month over month.

2 Seamless integrations

Seamlessly integrates with major property management systems, allowing financial reports to automatically sync daily and post to your ledger.

3 Reduced financial risk

Steer clear of financial losses with Domuso's digitally certified payment options and 100% chargeback protection.

4 Resident-centric payment options

Residents have the flexibility to pay with any traditional payment method through any mobile device with our "Pay Your Way" functionality.

5 24/7 customer support

Domuso offers live training and Q & A sessions for onsite staff, as well as 24/7 bilingual customer support for residents.

Domuso optimizes properties' financial performance, reduces business risk, and eliminates manual and frustrating tasks for your team.
